## Benchmark Statement - UC Multi-Asset Benchmark Family

### **Introduction:**

This document is the benchmark statement (the “**Benchmark Statement**”) for the members of the Benchmark Family which are benchmarks for the purpose of the Regulation (EU) 2016/1011 of the European Parliament and of the Council of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds and amending Directives 2008/48/EC and 2014/17/EU and Regulation (EU) No 596/2014 (the “**Benchmarks Regulation**” or “**BMR**”).

Nothing contained in this Benchmark Statement should be construed as an offer or solicitation of any transaction.

Original document date: 6 December 2019

Version date: 25 January 2021

The latest version of this Benchmark Statement can be found at [www.onemarkets.de](http://www.onemarkets.de). UniCredit Bank AG reserves the right to amend, supplement or update this Benchmark Statement and/or the Index Descriptions from time to time and accepts no liability for any such modifications.

### **Benchmark Family and Categorisation:**

UC Multi-Asset Benchmark Family comprises the benchmarks specified in Annex I – Members of the UC Multi-Asset Benchmark Family.

The benchmarks described herein have been categorised as (i) non-significant benchmarks (NSBM) and (ii) no contributions of input data by contributors are used for the determination of the benchmarks. Hence, only the provisions for a benchmark that is a non-significant benchmark (NSBM) are applicable.

None of the benchmarks described herein is an interest rate benchmark or a commodity benchmark.

### **Further Definitions:**

“**Index Committee**” means the index committee of the UniCredit Bank AG as defined and described in the “Operational Regulation of the Index Committee of the UniCredit Bank AG”.

“**Index Description**” means in relation to a Benchmark the full and definitive rules of the Benchmark which will be made available to stakeholders upon request and, if applicable, subject to confidentiality or other agreements between UniCredit Bank AG and the relevant party.

“**RTS**” means the Reference in Commission Delegated Regulation (EU) 2018/1643 of 13 July 2018.

Ref.	Clause	Description
BMR Article 27(1)(a)	The BMS shall clearly and unambiguously define the market or economic reality measured by the benchmark and the circumstances in which such measurement may become unreliable;	The UC Multi-Asset Benchmark Family is designed to represent the performance of a multi-asset portfolio allocating to various instruments (such as exchange traded funds, equity indices, gold, or closed-ended investment funds) based on a market, market segment, theme, or investment strategy.
BMR Article 27(1)(b)	The BMS shall lay down technical specifications that clearly and unambiguously identify the elements of the calculation of the benchmark in relation to which discretion may be exercised,(I)the criteria applicable to the exercise of such discretion and (II) the position of the persons that can exercise discretion,(III) and how such discretion may be subsequently evaluated;(IV)	The index descriptions listed in the appendix are written with the intent of removing the need for judgement or discretion to be exercised in so far as is feasible.  Where there may be a need to take an action that is not prescribed in the index descriptions, the Index Committee will develop an approach with the goal of remaining consistent with the goals of the index description and ensuring timely calculation and distribution.
BMR Article 27(1)(c)	The BMS shall provide notice of the possibility that factors, including external factors beyond the control of the administrator, may necessitate changes to, or the cessation of, the benchmark; and	UniCredit Bank AG hereby provides notice that it might be possible that factors, including external factors beyond the control of the administrator, may necessitate changes to, or the cessation of, the benchmark.
BMR Article 27(1)(d)	The BMS shall advise users that changes to, or the cessation of, the benchmark may have an impact upon the financial contracts and financial instruments that reference the benchmark or the measurement of the performance of investment funds.	Possible changes to, or the cessation of, a UC administered benchmark may have an impact upon the financial contracts and financial instruments that reference the benchmark or the measurement of the performance of investment funds.
BMR Article 27(2)(a)	The BMS shall contain the definitions for all key terms relating to the benchmark	The definitions of all key terms can be found in the <i>GLOSSARY OF TECHNICAL TERMS USED IN INDEX DESCRIPTIONS FOR UniCredit BENCHMARKS</i> .
BMR Article 27(2)(b)	The BMS shall contain the rationale for adopting the  (I) benchmark methodology and  (II) procedures for the review and approval of the methodology;	<u>Re. (I):</u>  The methodology of the UC Multi-Asset Benchmark Family reflects the economic reality as set out above (Ref. BMR Article 27(1)(a)).  <u>Re. (II):</u>  The review of all benchmarks of the UC Multi-Asset Benchmark Family follows the governance process set out in the operational regulation of the Index Committee. The approval of all new benchmarks of the UC Multi-Asset Benchmark Family follows the governance process set out in an internal directive document. The review and approval

		process ensures that the requirements of investors and other index users are met.
BMR Article 27(2)(c)	The BMS shall contain the criteria and procedures used to determine the benchmark, including a description of the input data, the priority given to different types of input data, the minimum data needed to determine a benchmark, the use of any models or methods of extrapolation and any procedure for rebalancing the constituents of a benchmark's index;	<p>The calculation of all benchmarks of the UC Multi-Asset Benchmark Family is rule-based and specified in the index description, especially that the input data for these benchmarks consists of</p> <ul style="list-style-type: none"> <li>i) official closing values of equity indices as published by the benchmark administrator of the respective indices,</li> <li>ii) official closing prices of exchange traded funds as published by the respective relevant exchanges,</li> <li>iii) net asset values of exchange traded funds as published by the the respective fund/management company,</li> <li>iv) net asset values of closed-ended investment funds as published by the the respective fund/management company,</li> <li>v) official LBMA Gold price fixings as published by the respective benchmark administrator,</li> <li>vi) foreign exchange rates fixings</li> </ul> <p>sourced via vendors. Such vendors ensure that they have robust governance arrangements, policies and procedures in place when providing respective closing values, closing prices, net asset values, and fixings.</p> <p>Regarding input data, [see RTS Article 1(1)(c) and RTS Article 2].</p>
BMR Article 27(2)(d)	The BMS shall contain the controls and rules that govern any exercise of judgement or discretion by the administrator or any contributors, to ensure consistency in the use of such judgement or discretion;	The circumstances in which judgement and/or discretion may be exercised are set above (Ref. BMR Article 27(1)(b)).
BMR Article 27(2)(e)	The BMS shall contain the procedures which govern the determination of the benchmark in periods of stress or periods where transaction data sources may be insufficient, inaccurate or unreliable and the potential limitations of the benchmark in such periods;	The procedures which govern the determination of the benchmark in periods of stress or periods where transaction data sources may be insufficient, inaccurate or unreliable and the potential limitations of the benchmark in such periods can be found in the market disruption paragraphs of the respective index descriptions.
BMR Article 27(2)(f)	The BMS shall contain the procedures for dealing with errors in input data or in the determination of the benchmark, including when a re- determination of the benchmark is required	<p>Procedures for dealing with errors in input data or in the determination of the benchmark, including when a re- determination of the benchmark is required, are outlined in an internal directive document.</p> <p>Errors in the index determination shall be corrected in accordance with the initial</p>

		intention and is in the interest of the parties.
BMR Article 27(2)(g)	The BMS shall contain the identification of potential limitations of the benchmark, including its operation in illiquid or fragmented markets and the possible concentration of inputs.	The potential limitations of the benchmarks of the UC Multi-Asset Benchmark Family include circumstances where a significant proportion of the closing values of constituents of the benchmarks are unavailable or disrupted. The procedures which govern the determination or possible suspension of the benchmark can be found in the market disruption paragraphs of the respective index descriptions.
BMR Article 28(1)	An administrator shall publish, together with the benchmark statement referred to in Article 27, a procedure concerning the actions to be taken by the administrator in the event of changes to or the cessation of a benchmark which may be used in the Union in accordance with Article 29(1). The procedure may be drafted, where applicable, for families of benchmarks and shall be updated and published whenever a material change occurs.	If the regular or any additional review of the UC Multi-Asset Benchmark Family as set out in the operational regulation of the Index Committee results (see description regarding BMR Article 27(2)(b)) in a consideration of changes to or the cessation of a benchmark of the UC Multi-Asset Benchmark Family, an respective impact study is carried out. The impact of a potential change to or the cessation of the considered UC Multi-Asset benchmark to both the benchmark and known users is considered. The Index Committee aims to provide a consultation period on the proposals and or current benchmark methodology for the benchmark users before a change decision is made. The Index Committee aims to make a notice of the change at least one month prior to a change. This period maybe shortened if market events necessitate an immediate change. Where a benchmark is designed for a single end user, changes may be made based on a mutual agreement with the users.
RTS Article 1(1)(a)	The BMS shall state the date of publication of the statement and, where applicable, the date of its last update;	1 November 2019
RTS Article 1(1)(b)	The BMS shall state where available, the international securities identification number (ISIN) of the benchmark or benchmarks; alternatively, for a family of benchmarks, the statement may provide details of where the ISINs are publicly accessible free of charge;	UC doesn't assign ISINs (international securities identification number) to all of the benchmarks for which it is the administrator. If an ISIN is assigned to an UC benchmark it can be found in the respective index descriptions free of charge.
RTS Article 1(1)(c)	The BMS shall whether the benchmark, or any benchmark in the family of benchmarks, is determined using contributions of input data;	No benchmark in the family of the UC Multi-Asset Benchmark Family is determined using contributions of input data.
RTS Article 1(1)(d)	The BMS shall state whether the benchmark or any benchmark in the family of benchmarks qualifies as one of the types of benchmarks listed under Title III of Regulation (EU) 2016/1011, including the specific provision by virtue of which the benchmark qualifies as that type.	Each benchmark in the family of the UC Multi-Asset Benchmark Family is a non-significant benchmark as defined under Title III of Regulation (EU) 2016/1011.

Ref.	Clause	Description
RTS Article 1(2)	In defining the market or economic reality, the benchmark statement shall include at least the following information:	
	(a) a general description of the market or economic reality;	The benchmarks of the UC Multi-Asset Benchmark Family are designed to represent the performance of a multi-asset portfolio allocating to various instruments (such as exchange traded funds, equity indices, gold, or closed-ended investment funds).
	(b) the geographical boundaries, if any, of the market or economic reality;	The benchmarks of the UC Multi-Asset Benchmark Family are not subject to specific geographical boundaries of the market or economic reality.
	(c) any other information that the administrator reasonably considers to be relevant or useful to help users or potential users of the benchmark to understand the relevant features of the market or economic reality, including at least the following elements insofar as reliable data on these elements is available: (i) information on actual or potential participants in the market; (ii) an indication of the size of the market or economic reality.	Not applicable for non-significant benchmarks.
RTS Article 1(3)	In defining the potential limitations of the benchmark and the circumstances in which the measurement of the market or economic reality may become unreliable, the benchmark statement shall include at least:	
	(a) a description of the circumstances in which the administrator would lack sufficient input data to determine the benchmark in accordance with the methodology;	The circumstances in which UC would lack sufficient input data to determine a benchmark of the UC Multi-Asset Benchmark Family in accordance with the methodology can be found in the market disruption paragraphs of the respective index descriptions.
	(b) where relevant, a description of instances when the accuracy and reliability of the methodology used for determining the benchmark can no longer be ensured, such as when the administrator deems the liquidity in the underlying market as insufficient;	Not applicable for non-significant benchmarks.
	(c) any other information that the administrator reasonably considers to be relevant or useful to help users and potential users to understand the circumstances in which the measurement of the market or economic reality may become unreliable, including a description of what might constitute an exceptional market event.	Not applicable for non-significant benchmarks.

Ref.	Clause	Description
RTS Article 1(4)	In specifying the controls and rules that govern any exercise of judgement or discretion by the administrator or any contributors in calculating the benchmark or benchmarks, the benchmark statement shall include an <u>outline of each step of the process for any ex post evaluation of the use of discretion</u> , together with a clear indication of the position of any person(s) responsible for carrying out the evaluations.	Not applicable for non-significant benchmarks.
RTS Article 1(5)	In specifying the procedures for review of the methodology, the benchmark statement shall at least outline the procedures for public consultation on any material changes to the methodology.	Not applicable for non-significant benchmarks.
RTS Article 2	Specific disclosure requirements for regulated-data benchmarks	All benchmarks of the UC Multi-Asset Benchmark Family are not regulated-data benchmarks.
RTS Article 3	Specific disclosure requirements for interest rate benchmarks	All benchmarks of the UC Multi-Asset Benchmark Family are not interest rate benchmarks.
RTS Article 4	Specific disclosure requirements for commodity benchmarks	All benchmarks of the UC Multi-Asset Benchmark Family are not commodity benchmarks.
RTS Article 5	Specific disclosure requirements for critical benchmarks	All benchmarks of the UC Multi-Asset Benchmark Family are not critical benchmarks.
